Sedation Instructions

Dear Patient:

We suggest you wear comfortable clothing e.g. a lightweight jogging suit for your sedation visit. Remember to leave all necklaces, rings and watches at home. I know this sounds trivial, but I assure you it is very important.

Your appointment is scheduled for: _____

You should not drink any alcohol or caffeinated beverages for 24 hours prior to your appointment. You should also, not eat or drink anything 8 hours before **nor should you take any medication not approved by Dr. Davis.** Have your companion bring you to our office at _____ sharp. **Absolutely NO driving yourself!**

A competent adult who can escort you home must accompany you to the appointment. This adult must arrive with you and leave with you when you are discharged.

If you have any questions or concerns, please feel free to call:
